Dear 6th Grade Breakout Students & Parents

First of all I would like to congratulate you on nearing the end of your Breakout quest. For those that have been through the whole program you have learned *How to Know Christ*, *How to Grow In Christ*, *How to Serve Christ*, and now you are learning *How to Share Christ*. I hope more than anything that you have built life long relationships with Christ, with each other, with your leader, and with me.

My prayer is that the Biblical Truth you have learned through Breakout is not something that you learn and forget but something that you will live by for the rest of your life. As 2 Corinthians 5:17 tells us: *"If you are in Christ you are a new creation; the old has gone, the new has come!"*

To give you an opportunity to apply the Biblical Truth you have learned through this final book of *How to Share Christ* we will be going on a Mission Trip to Beautiful Feet Ministries in Fort Worth Texas to serve others and share the gospel with them. In this pamphlet you will find all the information that you will need in order to take this trip with us. We assure you that this will be an awesome opportunity that you will not want to miss. Please read through this pamphlet carefully and return any required information in to Tracy in the Church office or Myself.

Bro. Noah
