

## Lunch with Bro. Noah

**Hey Kids!**

**I would LOVE to come have lunch with you sometime! If you are home schooled, go to Legacy Christian or go to public school, it doesn't matter, I want to come hang out with you! All you have to do is give me an invitation in person or by email at [noah@fbcclaremore.com](mailto:noah@fbcclaremore.com) and I will schedule it with your school and your parents. Have a blessed day!**
