Tips on Bible Study and Worship at Home

1. Pray for your Child
2. Encourage, Support, and cheer them on as they succeed in their spiritual development
3. Prioritize their spiritual development over all other aspects of development.
4. Help them in developing a daily quiet time with the Lord that involves Bible Reading/Devotionals, prayer, and journaling. It will be fun for the whole family.

Promotion

Preschool promotion is based off of development and is analyzed 3times a year (September, January, May). Grade School promotion occurs in August before the new school year begins and children are placed in the Grade that they are in, in School.

First Kids Sundays

First Kids

First Kids is devoted to doing whatever it takes to meet the needs of kids and their parents with the attitude of Christ.

The Partnership

Our Kids Ministry will achieve its mission by being a partnership with parents. Deuteronomy 6:4-9 essentially tells those who desire to follow Christ to love the Lord with all their heart, soul and strength, and to talk about the Word of God at home or wherever we go. We are to raise children within our family at home and at church to follow Him with our whole hearts and lives. This partnership between parents and the church will give us the best chance possible to develop children who love God, Love People and Love to Serve.

For this reason we believe families that have a strong emphasis on spiritual development at home will raise Kids who put God first. First Kids is here to help give you tools that you can use at home. Our challenge through First Kids Bible study and First Kids Worship is for you to study the Bible and Worship with your kids all week at home and we will commit to reinforce the Christian values that you are instilling at First Kids each Sunday.

Safety First

We take the safety of our children and your children here at your church very seriously. We have a security team staffed each Sunday ready to respond to any situation. Only parents, Staff, and Workers are allowed in the Preschool Hallway. Every member of our staff and volunteers that works with our children have a background check. You will also receive a security sticker when you arrive and only the parent with the sticker will be allowed to pick up the child.

Kids Bible Study

Kids Bible Study occurs every Sunday from 9:00am—10:00am.

First Kids Preschool is for Babies—4 years old. Preschoolers meet in a clean customized room based on their development. Preschoolers will experience a safe and fun environment where the teachers are committed to love and nurture kids in the name of Jesus. First Kids Leaders have a teach as they go mentality where they look for every opportunity possible to show kids how much they are loved by us and Jesus.

First Kids Gradeschool is for Kindergarten—6th Grade. Kids meet in their own friendship centered rooms with their own age group. Every Sunday is a safe and fun adventure where kids learn to put God First. Teachers are committed to building life long relationships with each child to help guide them to becoming kids who love God, love people, and love to serve.

Worship Care

Worship Care occurs every Sunday from 10:15am—11:25am.

This ministry is for Babies—4years during the Worship Service. Preschoolers will meet in a clean customized room based on their development. In these rooms First Kids Leaders will love and nurture the kids in the name of Jesus as they play, worship, and listen to Bible Stories.

First Kids Worship meets Sunday morning at 10:15am in the Chapel during the Worship Service.

Children in Kindergarten through 4th grade are encouraged to join us for a fun-filled kid centered experience that includes: incredible worship music, interactive messages, drama, video's and much more!

Kids Worship does not meet on the 5th Sunday of the month and some Holidays. Please be sure to check the website for updates!

When to Arrive

If it is your first time to come, it is always best to show up 15min early to allow you time to calmly find your room. Being early will be very helpful for your child in making the adjustment and calming any anxiety they may have. You can take your time and it will allow our incredible teachers to make a good connection with your child. There will also be some paperwork we would like you to fill out so we can get to know your child and to keep them safe.

Where to Park

At the end of July we moved into our New First Kids Wing!! The best place for families with kids to park is in our new parking lot on the north side of the First Kids Wing It is right off of Will Rogers Blvd. The entrance to the building is easily identifiable by the Large Portico where you can easy drop off your family. Also, our guest Welcome Center is in the Worship Center and there are friendly greeters ready to help you find your way around.
