

# What's Love Got to Do with It?

*Four types of love:*

## **I. The love of desire**

A. /Ephithumia/—is a strong \_\_\_\_\_.

Negative use—1 Peter 4:3, 1 John 2:16

Positive use—Phil 1:23

B. /Eros/—is a strong yearning to \_\_\_\_\_ with and  
\_\_\_\_\_ something or someone.

- Infatuation is an emotional and fleshly response to false \_\_\_\_\_ or mere externals of another that have been \_\_\_\_\_.

## **II. The love of belonging**

/Storge/—is a natural \_\_\_\_\_ and a sense of  
\_\_\_\_\_ to each other. —Romans 12:10

## **III. The love of friendship**

/Phileo/—is to be a friend to or to have \_\_\_\_\_  
for or a personal \_\_\_\_\_ to. —John 21:17; 16:27 and  
Titus 2:3-4

## **IV. The love of unconditional choice**

/Agape/—values and serves unconditionally, expecting  
\_\_\_\_\_ in \_\_\_\_\_.—1 John 4:7-19

*Follow the example of Christ and apply all that you are to giving  
unconditionally.*
