

IGNITE Weekend: January 20-22, 2012

What is IGNITE?

For several months now, youth pastors in Claremore have been meeting, praying, and planning IGNITE Weekend. This will be an opportunity for students from several churches to get together for worship, teaching, serving, and fun. There will be general sessions with speaker and author: Jared Herd and worship with the Justin Cofield Band. Each student will be placed in a small group with other students of the same gender, age, and from the same church. Each small group will eat a few meals with and stay at a host home from a FBC Claremore family. (NOTE: students will be grouped with other students from their church and stay with church members). We will also serve by collecting cans of food and coats from our community and then we will give them away! And of course there will be a lot of fun things going on as well.

Who is IGNITE for?

Students that are currently in the 7th-12th grade who are looking to experience challenging teaching, deep worship, connecting through small groups, serving their community, and hanging out with each other.
