

How Do I drop off my Kids

Puggles and Cubbies will be dropped off in their room located downstairs in the NEW First Kids Wing Parents will register sign them in at the door each night.

Sparks and Breakout will be dropped off at the NEW First Kids Worship Room located on the second floor of the New First Kids Wing to register each night.

How Do I pick up my Kids

For your child's safety children will not be allowed to leave their drop off area until the parent comes in person to pick them up. Children will not be released to be picked up in the parking lot.

If you are picking up multiple children it is best to pick up your youngest child first.

Puggles and Cubbies (Preschool):

You will pick your child up in the same place that you dropped them off. Preschoolers will only be released to the person that has the matching sticker.

Sparks (K-2nd Grade)

Sparks will be picked up, downstairs in their Bible study rooms. Children will only be released to those that are approved on the Navigate Registration form. As a result, be sure to put everyone down that may be picking your child up during the year. If you arrange for someone that is not listed we must be notified before the child is dropped off.

Breakout (3rd-6th Grade)

Breakout kids will be picked up in the First Kids Worship Room. Kids will only be released to those that are approved on the Navigate Registration form. As a result, be sure to put everyone down that may be picking your child up during the year. If you arrange for someone that is not listed we must be notified before the child is dropped off

NAVIGATE

Navigate is our Wednesday Night Ministry for ages 2 years to 6th grade. We call it Navigate because we help kids NAVIGATE through the scripture and show them how to apply it to their lives. This is done with a combination of two age appropriate curriculums called AWANA and Breakout. Through this program we believe kids will learn the foundations to become strong Christian leaders who love God, people, and service.

First Kids Mission Statement

We are sold out to help parents and kids put God First in their everyday life. We will accomplish this by partnering parents and kids with loving First Kids leaders to provide an environment where a love for God, people, and service will be developed.

The Partnership

Our Children's Ministry will achieve its mission by being a partnership with parents. Deuteronomy 6:4-9 essentially tells those who desire to follow Christ to love the Lord with all their heart, soul and strength, and to talk about the Word of God at home or wherever we go. We are to raise children within our family at home and at church to follow Him with our whole hearts and lives. This partnership between parents and the church will give us the best chance possible to develop children who love God, Love People and Love to Serve.

For this reason we believe families that have a strong emphasis on spiritual development at home will develop into Kids who put God first. First Kids is here to help give you tools that you can use at home. Our challenge through the Navigate program is for you to use this material at home and we will commit to reinforce the Christian values that you are instilling.

 - **(2 years - 2nd Grade)**
(2 - 3 years old, not yet potty-trained):

Awana Puggles teaches toddlers simple lessons through teaching cards, activities, music and more. Awana Puggles leaders have a guidebook to help them plan and direct club time and communicate the lesson.

Cubbies (3 - 5 years old, potty-trained)

Cubbies is fun with a purpose – to reach and train kids for Jesus Christ. Games, puppets, crafts, awards and other activities transform our preschool program into a lively, weekly experience where fun and learning go hand in hand.

Sparks (Kindergarten - 2nd Grade)

The Sparks club for children in kindergarten through second grade builds on the material taught in our preschool clubs. The curriculum takes kids a step deeper into God's Word while giving boys and girls regular opportunities to hear the gospel and come to faith in Jesus Christ. After being immersed in solid foundational teaching at the preschool level, boys and girls frequently come to an understanding of their need to trust Christ as their personal Savior while in Sparks.

Breakout (3rd - 6th Grade)

Breakout has grown out of the **Purpose Driven Life** series. We are very excited about this program and how we can help your child grow in Christ in ways we never dreamed of before. A child who stays in this program will go through a series of four books: *How to Know Christ, How to Grow in Christ, How to Serve Christ and How to Share Christ..* A child who begins in book 1 and finishes in book 4 will have the opportunity to apply what they have learned by going on a mission trip.

How Do I Enroll:

To help you save time in line during the Navigate Registration Night turn in the registration form to the front office or to Bro. Noah by Wednesday August 31st. You can retrieve or request a Navigate Registration form from the church office or print the form from our website. We will also hold a brief parent meeting at 7:15pm in the First Kids Worship room on the Kick-off and Registration Night on September 7th. This will be very important for you to plan to attend. We will be done for you to pick up your children at 8:00pm.

The First Kids/Navigate Calendar is available on the Church Website. We will have a very basic monthly Calendar emailed or mailed to your house each month but you will still need to go to the Church Website to retrieve details and up to date information. If you do not have internet access please indicate it on your registration form and we will make sure you get detailed information mailed to your home.

What are Navigate Points

Cubbies and Sparks earn Navigate points for showing up, being in uniform, and memorizing scripture. They will be able to spend their points at the Navigate store nights at the end of December and April.

Breakout earns Navigate Points for showing up, wearing their T-Shirt, and completing activities in their books. The points can be applied to most trips and activities First Kids Offers. They can also be used on Summer Events such as Kids Camp. The points do start over at the beginning of a new Navigate year.
